

"My Mom Whispers from Heaven"

My Mom whispers from Heaven
My child, my spirit is calm
No more tears or pain, I'm floating now
I'm holding your granny's hand

We are both sitting by the Lord
He is with his Majesty at His throne
This place is all lights beyond stars
It's Heaven, just like when you were born

I miss you my child
I'd like to wipe your tears away,
But we will see each other one day
So, no more tears, I should say

Golden songs, bright Angels play
The moonlight reflects upon the bay
The gentle breeze softly touches the trees
The morning dew moistens the leaves

The majestic views of God's creation
Are all at my feet
I'll be here, when you and I meet
Until then, I'll be gone in the midst.

The Booker family appreciates the love, support and prayers in their hours of bereavement. May God continue to bless each of you.
