*By trusting in the Lord
turning to him together,
we found the kind of life
that leads to deep, lasting love-
the kind that never burns out.
Praise the Lord!
In you I've found my forever.*

Acknowledgement

We wish we could thank each of you personally, but we had so many people who those expressed their love and concern. There were those who called to say they cared, those who sent flowers and cards expressing their sympathy, and those who sent up prayers.

Words cannot express our gratitude, but please know we appreciate you from the depth of our hearts.

The Rewards

His spirit, we shared in life, we give back to our Heavenly Father. Knowing that his life was fulfilled with God's blessing and that he will find a renewed responsibility in the great beyond.
